YOUR GUIDE
TO MAKING
THEM WORK

Gwen!

A Hot Husband,
Amazing Style
& That Super-
Cute Kid

FIRM SKIN

IN OFFICE TREATMENTS

RADIO-FREQUENCY TREATMENTS

WHAT THEY ARE Devices like Thermage, Aluma and Refirme ST use radio frequencies to tighten the skin by heating and revitalizing collagen and elastin fibers, while keeping the surface of the skin cool. **WHERE THEY GO** All over the face and neck, including eyelids and jawline.
